February 2026

Happy New Year!

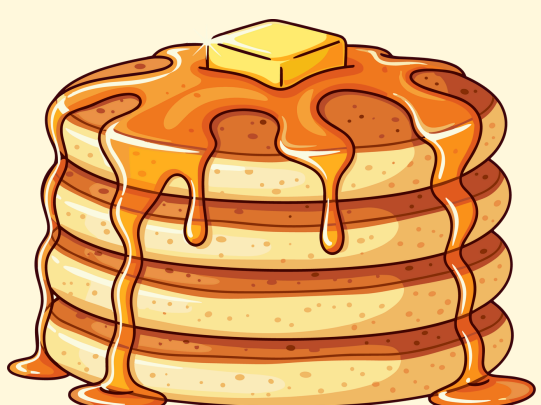

What a great way to start 2026

STEM Week (Science, Technology Engineering Maths)

All year groups investigated and explored the theme of archaeology using amazing Lego kits sponsored by Sage UK and First Lego League

Don't forget
PANCAKE DAY
Tuesday 17th February

Happy Pancake Day!

Each week the winning class earns a trophy. At the end of each half term the class with the most trophies earns themselves a reward afternoon of their choice.

Achieve Tomorrow

Remember to check your email or the school website each week to find out which class has won the extra playtime for being the best attending class.

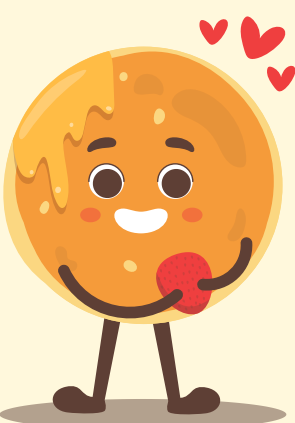

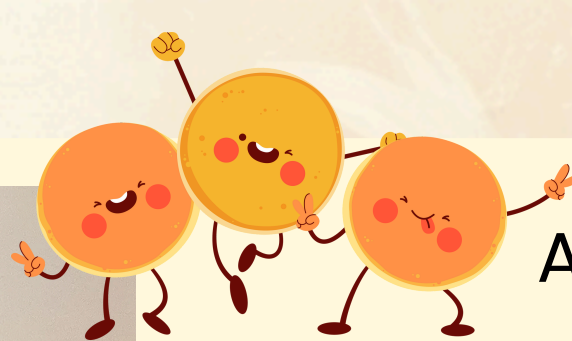

Year 6 had a fabulous visit to Energy Central in Blyth where they got to learn all about renewable energy, build a working wind turbine and write code to make the turbine run!

You may have **note**-ised  New Delaval feeling a little musical recently. We have been learning chime bars in Year 1, recorders in Year 2, glockenspiel in Year 3 and ukulele in Year 5! Phew! Then last but not least we have Choir Club on a Monday night with Mrs Wallace and Mrs Regnart.

A massive "Well Done!" to all of the Year 5 and 6 pupils who braved the cold and the wet to achieve their Level 2 Bikeability certificates this month!
