

## Year 4 Newsletter - Autumn 2021

Year 4 children and staff are looking forward to an exciting, busy and successful new year. This newsletter is to keep parents/carers informed of some key events and information.

### PE Kit

House points will be awarded to children who wear the correct school PE kit. Its white t-shirts and black shorts, leggings or jogging trousers.

### PE

PE will be on **Tuesdays** and **Thursdays**.

Tuesday's PE session will be taken by the Class Teacher, Mr Kelly and Thursday's session will be led Newcastle United Federation. The Tuesday session will be indoors and the Thursday session will be outdoors.

### Topic

Our topic for the first half-term will be 'Food Glorious Food'. We are reading the classic story of, 'Oliver Twist' and we will be learning about healthy eating and (in Science) about the digestive system. It's possible that we might have a trip organised towards the end of the half-term!

### Online Learning

Please check with your child that they know all the log-in details for their online work. They have been given the log-in details for all of the learning platforms used in Year 4. Homework will be set online. They can access the homework from Monday and must have it completed by Friday. Remember that you should be able to access the online work through iPads, laptops, Xbox and Play-station devices. Please let the office know if your child has any obstacles to accessing their online work.

### Arrival and Collection

Year 4 pupils should arrive in the classroom between 8.30am and 8.45am. The idea behind this 'staggered' arrival is to prevent crowding at the school gates. You can allow your child to walk by themselves from the school gate to the classroom. Children must be collected from the classroom door at 3.15pm.
