7th February 2024

Cycle Training for Children – Level 1 Year 4

We have arranged for Bikeability training to take place in school for all pupils in Year 4 on Monday 4th March 2024.

Year 4 Training is a 2 hour programme of basic bike control and balancing activities and will take place on the school yard. Bikeability certificates and badges will be awarded to those pupils who achieve the Level 1 standards.

Cycle Requirements

Children need to bring their bikes to school on the day of their cycle training. Bikes should be in good working order and the correct size for the rider. If children have a cycle helmet they should bring this too.

What if you don't own a bike?

Owning a bike or safety helmet need not be an obstacle if you would like your child to take part. We have a small number of bikes and helmets in school, please complete the consent form indicating your child's requirements and we will do our best to provide a bike/helmet for the training.

Who will do the training?

Training will be carried out by "Cycle Experience" a national training organisation who has been appointed by the County Council to deliver the cycle training programmes. All instructors are fully qualified and have been Police checked.

What to Wear?

Your child should still wear their school uniform while taking part in the cycle training but should have a warm and waterproof coat as well as a pair of gloves.

Please complete both the school consent form and the Cycle Partnership consent form attached and return both to school by **Wednesday 14th February**.

If you have any questions, please contact the school office.

Yours sincerely

Mr P Struthers
