

Monster Phonics

Dear Parent

Term 3 has just started. Teaching children at home can be stressful. We don't want the children to miss out on their learning, yet trying to keep them focused and engaged can be difficult. Many of us at Monster Phonics are parents as well. We realise how difficult it can be to teach children at home during these strange times.

Therefore, to help you we have worked hard to create a special **free Home Learning** section which focuses on all Term 3 phonics activities that children should have been learning from next week.

To access please go to

<https://bit.ly/3cxQ7Dv>

We have also decided to continue to offer all of our material for free until schools re-open. Please use the details below

Username: **login**

Password: **homelearning**

Monster Phonics follows the national curriculum and is recognised by the government as a key resource to be used by schools. It is both fun and engaging, perfect for helping parents at this time.

Thank You
