Reviewed	September 2023
Next Review Date	September 2025

This Policy for Lettings has been formulated by Staff and Governors of the School to support the aims of the School. In particular, the children in our care will be happy, confident and independent who will contribute to the Local Community. This policy will also embody our aim to use our RESPECT characteristics to promote positive relationships, experiences and behaviour with a calm and consistent approach. The effectiveness of these policies will be reviewed on a regular basis by Staff and Governors to ensure they continue to support our aims. We aim to promote these policies across the Community in order to ensure that they are living documents which support us in our everyday work.

New Delaval Primary School

Lettings Policy Statement

Rationale

The Governors of New Delaval Primary School have agreed that the facilities within the school are not suitable to use on a lettings basis to the local community either individuals or groups and as such no lettings occur.

This includes the use of the school site and external grounds and fields.

This policy statement will be reviewed on a regular basis by the whole Governing Body and will be amended accordingly.
