Dear Parents / Carers

Year 6 High Borrans Residential Visit June 2025

We are planning our annual residential visit to High Borrans from **Saturday 21st June – Monday 23rd June 2025.**

Unfortunately, New Delaval Primary School is unable to fully fund the trip this year.

The price per pupil, based on last year’s costs, is £391.00 per pupil. We are asking for parents/ carers to pay 50% of the cost which we have rounded down to £180.00. That would work out at £10 per week, from the start of January to the end of May.

We need a clear and definite commitment from parents to sign up for the visit and to pay the £180. We will also need a certain number of pupils to attend in order make the visit possible. We will put a payment card system in place and send you regular reminders of how much needs to be paid by specific dates.

High Borrans really is a fantastic opportunity for children to get out of their comfort zone, develop their character and share experiences and memories that will last a lifetime. The positive impact and change this makes to our children is immeasurable. It also is a fantastic opportunity for children to develop some independent skills and develop their confidence in preparation for Secondary School, and you also get three days peace and quiet.

Please complete the permission slip at the bottom of this letter and return to the school office, no later than Friday 6th December.

If you are experiencing challenges meeting these costs please contact Mr Struthers to discuss.

Yours sincerely
