

Year 4 Newsletter - Summer 2022

Year 4 children and staff are looking forward to an exciting, busy and successful new term. This newsletter is to keep parents/carers informed of some key events and information.

PE Kit

Please make sure that your child has their PE kit in school on Friday for the cricket coaching. This is led by our cricket specialist, Callum.

Long hair and jewellery

It is a rule of the school that children do not wear or bring jewellery to school.

Also, if your child has long hair, it must be tied back. If your child does not have their hair tied back, they will be given an elastic band and requested to tie it back themselves.

Thank you for your support with this.

Science

Our Science topic for the first half-term in summer will be the Forces. We will be carrying out lots of exciting investigations and learning about how the world around us is affected by many different forces.

School Uniform

Please make sure that your child arrives at school dressed in the correct uniform. If you have lost any items or your child has grown out of any clothes, please let us know as we do have some spare uniform that is clean and washed that you may be able to use.

Wooler Residential Trip.

Probably the highlight of this term will be the residential trip to North Northumberland – 25th-27th May. We will be staying at the Wooler Youth Hostel for two nights. We will be visiting Alwick Castle and Gardens, The Farne Islands (by boat), Bamburgh Castle and Warkworth Castle. This will be a huge adventure for our children and we hope that every single one of our wonderful pupils will be able to come on this trip.

The Year 4 Times Tables Check test is planned for the week beginning 13th June 2022 – The back of this newsletter has all of the multiplication tables printed on it. Please help your child to prepare for this test.
