Dear Parents/Carers

## Parents Evenings

Our parents evenings were a great success with staff meeting with the majority of parents/carers. If you missed your appointment we will be in touch to arrange a meeting.

## World Book Day

A big Thank You for all of the World Book Day Quiz returns, we hope you enjoyed taking part, congratulations to our winners who are announced overleaf. It was fabulous to see so many creative book characters around school.

## World Maths Day

Once again we were delighted with the effort and imagination shown, the children had an excellent day doing even more Maths than usual!

## Easter Craft Sessions

Our annual Easter Craft Sessions will be held on **Thursday 30th March** this year and **Friday 31st (Year 1 & Year 2)** and we would love to see as many parents/carers join their children in school for what is sure to be a fun filled time. A letter has been sent out with children outlining the afternoon and a copy is also available on the website.

## Polite reminder

The road outside school is a restricted access zone each morning from 8:15am to 9:15 am and each afternoon from 2:45am - 3:30pm. This means that you cannot drive along the road during those hours unless you are a Blue Badge holder.

## Easter Egg Raffle

Have your purses/wallets at the ready! We will be having an Easter raffle in school. Tickets will be available to buy from the school office from 27th March for £1:00 a number. All proceeds will go towards school funds.

## Hugg Vouchers

We will be issuing Hugg vouchers for the Easter holidays to those eligible families. Please make sure we have your current working contact number in school.

Finally as we head into the final term of and hopefully some warmer weather I would like to wish you all a very Happy Easter (when it arrives!)

**Please note school closes for the end of term on Friday 31st March at 2:00pm.**

## Year 5 Hoops4Health

Year 5 were invited to participate in the Newcastle Eagles 2022-2023 Hoops4Health Programme.

The programme provides a healthy living programme with professional sporting role models, using basketball as an activity to convey a range of positive health messages to young people in primary schools, including the importance of keeping physically active and leading a healthy lifestyle.

**Autism Awareness Week**

27th March – 2nd April 2023

Since 2019, the North East Autism Society has been passionately campaigning for autism acceptance, rather than awareness. And every year we encourage as many schools as possible across the region to get involved and join us on our mission.
