27/09/2023

Dear Parent/Carer

As part of our continued promotion and engagement with all things cycling, New Delaval Primary and Richard Rothwell Cycling would like to invite your child to bring their bike to school for a free safety check.

When: Tuesday 10th October 2023
Where: School Playground
What's happening: A health and safety check of children's bikes

This free bike check is intended to inform you about the safety of your child's bike, it is not a 'service' of your child's bike. Minor adjustments and repairs may be made where possible. We will attach a 'Dr Bike sheet' to your child's bike to inform you of the bike's level of safety at the time we carry out the check. If further work is required, we will signpost you to local bike shops who can carry out a full service and make appropriate repairs.

If you wish to take advantage of this fantastic free service please complete the request form which must be attached to your child's bike prior to arrival at school on Tuesday morning.

If you have any questions about bikes and cycling on the day, please come and see me and have a chat.

Thank you

Richard Rothwell
