

Welcome back to Year One !

We hope you all had a great Easter break! It has been lovely to hear about the children's holidays when sharing their 'news' in circle time or reading about their activities in their homework. We have had a good week settling in and have made a start with our new curriculum learning, see below for more details. As usual if you have any questions or concerns please get in touch.

Mrs Wilkinson and Mrs Regnart.

CURRICULUM:

We will continue to explore Traditional Tales in **English**, with The Ugly Duckling and the Frog Prince. In **Computing**, we will be using our positivity and resilience to write our own code. These skills will also be required in the Commando Joe sessions in PE where the children are set team missions to achieve each week.

In **Geography** lessons we will be learning about different Climates, Continents and Oceans around the world.

In **Science** we will be learning about life cycles of animals and we're looking forward to our exciting trip to Butterfly World.

In **Maths** we will be looking at division and multiplication

GOOGLE CLASSROOM:

Many thanks to those of you who have logged on to Google Classroom and helped their children complete their weekly homework tasks. If you are unable to log in – please get in touch and we will see if we can help !

VISITS:

Educational visits and extra activities are back on our timetable ! Look out for additional letters in your child's book bag with the details.

We will also post the letters on the Google Classroom class stream
