

Other curriculum learning in Yr3:

- Daily Basic skills sessions
- NUF sessions.
- Daily SPaG (Spelling, Punctuation and Grammar) sessions
- Daily ERIC reading and questions
- TTRS and Mathletics.
- Computing: online safety and touch typing
- French

Numeracy

This term, we will build on the children's knowledge of place value, addition and subtraction and focus on multiplication and division using pictorial, practical resources, mental maths and formal written methods. The children will also be learning properties of shapes.

Creative Development

This term in D/T we will be designing and building our own volcano models and exploring Greek art.

In music, we will be learning to play the glockenspiel.

Happy New Year!

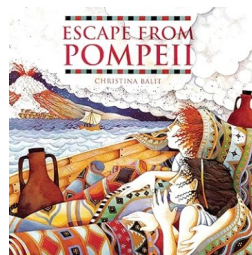

We have two topics this term. In geography we will look at 'Violent Volcanoes', and explore how they're made and how they change the landscape.

In our second topic, 'The Glorious Greeks', we will use historical resources to study Greek life and how the Greeks influenced the western world.

In Science we will be learning about light and then the life of plants through exploration and experiments.

If you have any stories or information that may help us with these topics we would love to hear from you!

Should you have any queries—please come and speak us!

Literacy

We'll be reading a range of class texts including 'Escape from Pompeii' by Christina Balit and 'Tales of the Greek Heroes' by Roger Lancelyn Green to support the writing of different genres including a recount of events, creative writing and poetry.

Year Three

Spring Term

2025-2026

PSHE

Children will explore self-awareness in their Character Education assemblies. PSHE lessons will focus on positive relationships and will participate in road safety workshops throughout January.

Organisation: PE will be on a **Tuesday afternoon** with the Delaval Knights and **Wednesday mornings** with the NUFC. The Delaval knights will be delivering indoor Bowling Buddy sessions and the NUFC will be focussing on multi-skills and gymnastics throughout the Spring. PE kits must be brought into school for PE lessons.

Spellings lists will be handed out for children to practise at home. Please encourage this as much as possible. **Homework** will be distributed on **Mondays** on Google Classroom. Please ensure homework is returned on the following Monday to avoid a consequence break. There is an opportunity to complete homework during break times if children choose to. Children must bring their reading book and record to school every day. We encourage reading daily at home and expect the reading record to be signed once your child has read with you. The children should be completing at least one quiz in school and changing their books each week.
