School Uniform Policy

2025-2028

Reviewed	September 2025
Next Review Date	September 2028

This Policy for uniform has been formulated by Staff and Governors of the School to support the aims of the School. In particular, the children in our care will be happy, confident and independent who will contribute to the Local Community. This policy will also embody our aim to use our RESPECT characteristics to promote positive relationships, experiences and behaviour with a calm and consistent approach. The effectiveness of these policies will be reviewed on a regular basis by Staff and Governors to ensure they continue to support our aims. We aim to promote these policies across the Community in order to ensure that they are living documents which support us in our everyday work.

This policy aims to: Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers. This policy will explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.

Our school's legal duties under the Equality Act 2010. The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment. To avoid discrimination, New Delaval Primary will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Mr P Struthers (Head Teacher).

1. Limiting the cost of school uniform

New Delaval Primary School has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics, or items that have to have a school logo or a unique fabric/colour/design cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price. We will make sure that New Delaval Primary:

- Does not require any items with distinctive characteristics where possible for example, by not insisting that uniform items have to include the school logo
- Ensures that arrangements are in place for parents to acquire free of charge second-hand uniform items, by providing regular opportunities for parents/carers to access uniform we have on site, and also by re-cycling any uniform donated by parents. Parents/carers can also contact the school office and arrange their own appointment to look at the available uniform we have on offer.
- Avoids different uniform requirements for different year groups/key stages
- Avoids different uniform requirements for extra-curricular activities
- Avoids frequent changes to uniform specifications and minimising the financial impact on parents of any changes
- Consults with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

2. Purchasing/Obtaining Uniform

Pupils are also expected to contact their class teacher who will liaise with Mr Struthers (Head Teacher) if they want to request an amendment to the uniform policy in relation to their protected characteristics.

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is: Clearly labelled with the child's name.

Parents/carers are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

5. Staff

Staff at New Delaval Primary will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply. If the situation doesn't improve our Headteacher will deal with any discussions with parents/carers. In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5. Governors
