3rd December 2025

Dear Parents/Carers

Christmas Activities

We would like to invite you all to join your children making Christmas decorations on our annual Christmas Craft Session taking place this year on **Friday 12th of December**.

Time: 2pm Venue: individual classrooms

For craft activities in classrooms resources will be provided but if you wish to bring additional resources this will be most welcome. **Please note pupils/parents will not be able to move between classes during these sessions.**

If you have more than one child in school we will also have a Family Craft Session for pupils across all year groups which is being held on the same day in the main hall.

Time: 2pm Venue: School Hall

We will provide a limited amount of resources for this session. Class teachers will provide one activity for the pupil in their class for use in the hall. So again if you wish to bring additional resources this will be most welcome.

Please access class rooms from the external doors, for the family session, children will need to be collected from individual external classroom doors and taken to the hall together.

We look forward to seeing you for what is sure to be a fun if messy time!

Yours sincerely
