This is a Behaviour Management Scheme which encourages positive behaviour in and around our school. Yellow and red cards may be given for negative behaviour and green and silver "privilege cards" are awarded for positive behaviour.

Summer Term

Dear Parent/ Carer,

This half term our topic is based on thinking about what we might like to be when we grow up. We will be finding out about special jobs in our local community and people who help us like the emergency services.

We will also be developing our small pond in our outdoor area and we know that this will be very exciting!

We are looking forward to some super learning opportunities across our Early Years Curriculum this half term.

Thankyou for your support.

Early Years Team

Overall Topic:

'When I grow up'

We will also be learning about:

- People who help us
- Our local community
- The emergency services

People who Help us:

- Talk about what you already know about our emergency services and then find out a bit more.
- Can you name them all?
- Do you know where your nearest fire station, police station is and can you find it on a map?
- Do you have any family or friends who work in the local community...what do they do?
- Perhaps you could go and find out where the coastguard/lifeboat station is in Blyth.
- Learn about 999 calls and practise your address.
- Do you know anything about emergency services animals?

- Have fun! Play together! Read together!
