

Year One News

Year 1 Class Newsletter. Summer Term 2021

Welcome back (again) !

Fingers crossed for a clear run through to the Summer holidays. Once again the children have returned to school well and have settled in to the daily routine. We are enjoying the better weather and being able to play on the big field. Long may it last ! Many thanks for your continued support. Mrs Wilkinson and Mrs Smith.

Summer Term Topics

This term our learning is focussed around the books 'The Lighthouse Keeper's Lunch' and stories from Katie Morag. In science we will be growing plants, with a focus on healthy eating, and learning about the conditions needed for growth. In DT and art we will be creating models and paintings with a seaside theme – I wonder if you can guess what the Pringles tubes are for ? Our history and geography work will also be based on the seaside – looking at features of the coast and the history of seaside holidays. We are so lucky to live so close to the coast and this term's topics should give the children plenty opportunity to share their learning when out and about this summer.

Homework.

Reading – We expect children to read with an adult **EVERY** day and bring their book to school **EVERY** day. We will be focusing more on the understanding of what has been read this term and further guidance for this will be attached to the yellow reading diary soon.

Please sign the reading diary when you have read with your child.

Books will be changed, if needed, on a Monday, Wednesday and Friday from now on.

Weekly Readers will have their books and games changed on a Monday.

Spelling – Spelling lists have been sent home for this half term please practise as often as you can using the strategies suggested on Google Classroom.

Online – Google Classroom is still available to use to share messages, photos and resources so keep an eye out for new posts. Weekly homework continues to be set on Purple Mash on a Thursday. New Mathletics activities are set on a Friday and can be completed any time. Bug Club reading should be completed regularly.

PE

MONDAY AND THURSDAY STARTING WB. 19.04.21

Please, please, please put names in PE kit ! Thanks !
