

Year 4 Newsletter - Autumn 2023

Start and end of the school day

Year Four children should be at school at **8.30am** when the learning will start. Work will be ready and waiting for them straight away! All children must be collected by an adult at **3.15pm**

PE kit

Year Four children will need to bring their PE kit into school on **Tuesday** and **Thursday**. If children do not bring their kit into school for the lesson, they will lose their next playtime. PE kit is a white t shirt and black shorts, joggers or leggings.

Play and Lunch times

Year Four will have their playtime at 10.45-11am every day. Our lunchtime break will be from 12 noon to 1pm. We will send out details of the planned school dinners for each week.

Homework.

Homework will be set online in the Google Classroom (School 360). This will have the links to other websites that will lead to their homework tasks. Homework will be available online from Monday and must be completed by Sunday. All children have their own log in details. They will bring their reading book home every day and must bring it to school every day. If your child is unable to complete the work at home, they will be given a place in our Homework Break (15 minutes) to complete it.

School Uniform

Please make sure that your child arrives at school dressed in the correct uniform. If you have lost any items or your child has grown out of any clothes, please let us know as we do have some spare uniform that is clean and washed that you may be able to use.

In the summer of 2024, Year 4 will have a national test on their multiplication tables. The back of this newsletter has all of the multiplication tables printed on it. Please help your child to prepare for this test.
