Tapestry – An Online Learning Journal

Dear Parents,

Tapestry is the system we have chosen to use an online system of recording your child's learning in Preschool, Nursery and Reception. Tapestry is a website which can be accessed on a computer or laptop, and also on any Apple or Android device such as a tablet or smartphone. We have chosen this company because they are a secure and also exciting way of keeping track of your child's development and their time with us.

As part of your child's Learning Journey we will be able to instantly upload photos, videos and observations of your child. You are then emailed to alert you that something new has been added to your child's Learning Journal and can log on and view what your child has been up to. A massive advantage of this system is that you can instantly add your own comments to entries, and will be able to upload your own entries from home.

The safeguarding of our children is very important to us. Everything that is added to Tapestry will be added to our school account and can only be viewed by school staff that use the system, and also yourself, using your own log on. You will only have access to your child's own book and this cannot be seen by other parents. Also, it is crucial that you do not share photos or videos from your child's book on social media or through other online platforms. Any incidents where this confidentiality is broken will be dealt with very seriously and will result in your access to the system being withdrawn.

We are very excited about introducing this system to our school and would like you to find out more about it too. On the back of this letter you will find some Frequently Asked Questions about the system. I would also like to signpost you to Tapestry's website where you will find lots of information and videos: <https://www.tapestry.info/index.html>

Attached to this letter is a permission and information slip to allow us to set up a Tapestry account for your child. Please sign and return it to your child's teacher as soon as possible. You will then receive an email to activate your tapestry account.

If you have any further questions please do not hesitate to contact me.

Kind regards

Mrs Johnson
Early Years Lead

Frequently Asked Questions

Why use an online system?

Hand writing observations, printing out photos, cutting out and sticking all of these into a paper book is very time consuming. By taking photos and videos that can be instantly uploaded this increases the time that staff can spend with your children, supporting their learning.

We were also impressed with the way in which parents can instantly see what their child has been up to and can also share it with family members such as grandparents.

How do I get onto the system?

If you consent to us using Tapestry for your child, school will set up an account for you and provide you with log on details.

Tapestry can be accessed online at: <https://tapestryjournal.com>

It is available as a free app from the Apple Store and also on Android devices.

We will ask you to provide us with an email address so that we can set you up a personal account. This will be a secure way of logging in, and you will only be able to see your own child's book.

I don't have a computer, laptop, tablet or smartphone. How can I access Tapestry?

If you are unable to access the Internet on any device at home, then you will still be able to access your child's book by arranging a mutually convenient time with your child's teacher / key person to come into school. You will be provided with access to your child's account and support if needed.

I am not very confident with computers or the Internet. How can I access Tapestry?

One of the reasons for us choosing Tapestry was ease of use. It is a very easy system to use, but should you have any problems, a member of the Early Years Team will be happy to support you.

Why do you need my email address?

Your email address is required in order to set you up with access to your child's account. It is to ensure security on the site and also so that we can email you when a new entry has been added for your child.

Dear Parent/Carer

During their time at New Delaval our pupils often go on a number of school visits. For each of these visits we ask for parental consent. On occasions we are finding it is very time consuming obtaining consent from the very few forms that are not returned to school.

We also ask for parental consent to use photographs of pupils on relevant occasions such as in newspaper articles, the school brochure, school displays or on the school website. Again, it often takes up much time contacting parents to get this consent.

In addition to this we also require parental consent for pupils to access the internet in school. We have an Internet Access Policy which details the measures we take to protect our children from inadvertently viewing any unsuitable material on the internet –this is available on request for parents to view. Our pupils also annually complete a refresher activity to promote safe use of the internet.

We are proposing that parents are now asked to complete a general blanket consent form which gives permission for your child to take part in all three of the above **during their time at New Delaval**. Teachers will still inform you in writing to advise you of dates and details of visits. All visits will continue to be conducted following strict health and safety guidelines including risk assessment and simple consent forms may be required where a voluntary contribution is requested. We do urge you to contact the school if you have any concerns about the details of any visit.

I can appreciate that many of you have already kindly completed and returned the old style forms to school, however all parents/carers **must** complete this new one for our records.

We would really appreciate your support with this matter and ask that you complete and return **the below 'blanket' consent slip to school as soon as possible. If there is an activity you do not wish your child to take part in then please tick or circle the relevant section below. If forms are not returned to school we will assume you do not wish your child to participate in any of the above. You must notify school if circumstances change.**

School reserves the right to retain photographs that may represent historical events in our school archives.

Thank you for your co-operation

Mr P Struthers
Headteacher
