Dear Parent / Carer

Ofsted Parent View Survey

As a school we are consistently looking for ways that we can improve and do things better. One of the key ways for us to be aware of any issues or concerns we need to address is by receiving feedback through the 'Ofsted Parent View Survey'.

Ofsted Parent View is an online questionnaire for you to give your views about your child's school.

You can fill it in at any time of the year.

During an Ofsted inspection, you're also invited to give your views to inspectors using it.

It would be greatly appreciated if you could take some time over the next few weeks to go to the Ofsted website, click on this link, [Welcome to Ofsted Parent View | Ofsted Parent View](#), or details above, and complete a survey with your open and honest views and opinions. I thank you very much in anticipation of your help and support in completing the survey to help us improve what we do and how we do it.

Yours sincerely,

Mr Struthers
