

Year 4 Newsletter - Summer 2023

Year 4 children and staff are looking forward to an exciting, busy and successful new term. This newsletter is to keep parents/carers informed of some key events and information.

PE Kit

Please make sure that your child has their PE kit in school on Tuesday and Thursday. Thank you for ensuring that they have the correct kit.

Long hair and jewellery

It is a rule of the school that children do not wear or bring jewellery to school. This includes ear-studs.

If your child has long hair, it must be tied back. If your child does not have their hair tied back, they will be given an elastic band and requested to tie it back themselves.

Science

Our Science topic for this term will be the Electricity. We will be carrying out lots of exciting investigations and learning about how the electricity is created, stored and distributed. This will link in with the LEGO week earlier this year.

School Uniform

Please make sure that your child arrives at school dressed in the correct uniform. If you have lost any items, please let us know as we do have some spare uniform that is clean and washed that you may be able to use.

Wooler Residential Trip.

Probably the highlight of this term will be the residential trip to North Northumberland – Wednesday 24th-Friday 26th May. We will be staying at the Wooler Youth Hostel for two nights. We will be visiting Alnwick Castle and Gardens, The Farne Islands (by boat), Bamburgh Castle and Warkworth Castle. This will be a huge adventure for our children and we hope that every one of our wonderful pupils will be able to enjoy this trip.

The Year 4 Times Tables Check test is planned for the week beginning Monday 5th June – Friday 16th June – The back of this newsletter has all of the multiplication tables printed on it. Please help your child to prepare for this test.
