Dear Parents/Carers

A big welcome back to our children for the final term of the academic year. This summer term is a really busy term, our children will be working extremely hard towards national tests and end of year assessments which will be taking place in May and June.

To support your child, please ensure that they are in school every single day. Staff are relying on the help and support of parents/carers to ensure each child achieves their best possible outcome.

Attendance

Our whole school attendance for last term was 96.2% so, we have only just exceeded our whole school target of 96%, however, we currently have 15 pupils who have attendance below 90% and are classified by the Government as "Persistent Absentees" this means that these pupils have missed more than 10% of their possible sessions in school. I will be contacting the parents of the children involved to meet with me to offer a support plan towards increasing their attendance.

Residential Visits

We have 2 residential visits taking place in the summer term. Payments for these visits are now being taken by the school office. If you have any problems with payments please contact the school office as soon as possible.

A reminder we have a Bank Holiday on Monday 1st May, school will reopen on Tuesday 2nd May at 8:45am.

Yours sincerely
