5<sup>th</sup> March 2025

Dear Parents and Carers,

### NSPCC PARENT WORKSHOPS

In collaboration with the NSPCC, we will be running two in person parent workshops this term.

The first one is raising awareness through the NSPCC Listen Up, Speak Up campaign. Whether you're a parent, neighbour, or family friend, you might notice something about a child that worries you. You could be the only one to spot it, or be aware of a detail that others have missed. It's important you know what to do. Your child was involved in the classroom workshop towards the end of the summer term last year and they all engaged really well.

This workshop will run on **Tuesday 25<sup>th</sup> March**. Doors will open at **2pm** for refreshments and will run for an hour.

Our second workshop's focus will be around online safety and being able to understand the platforms that children have access to. The NSPCC will offer advice in managing online safety with your child and equip you with the knowledge to understand potential risks and how to deal with them, should they arise.

This workshop will run on **Wednesday 2<sup>nd</sup> April**. Doors open at **2pm** for refreshments and will run for an hour.

I am sure these informative workshops will be of benefit to parents and carers across our school community so please sign up as soon as possible to secure your place. You can visit their website – [www.nspcc.com](http://www.nspcc.com) -prior to the workshop for some insight into what will be discussed.

Kind regards,

Marie Archer

Pastoral Lead
