

### How can you help?

- Find time to talk to your child about what they have done at school.
- Share a book together with your child....make it fun!
- Practice his/her spellings and counting with him/her...sing them or chant them...
- Find a quiet corner in the house for him/her to do his/her homework...and then encourage him/her to do it and bring it in on time.
- Visit the library to find interesting books or web sites – we have a list of good websites for children – ask your child’s teacher.
- Encourage your child to come to school every day...on time...learning is fun....school is a great place to be!
- Can you tell us anything about our topics or themes. Let your child’s teacher know!
- Encourage your child to practice his/her handwriting.

# A Curriculum Newsletter for Our Parents

Do you want to know what your child is learning at school....and how you can help.....? *read on!*

**Autumn 2021**

### This half term we will be learning about:

- In our first term in Year 2, we will be learning all about where we live and our place in the world in our Geography lessons and in History we will be learning about travelling out of this world with our theme of space travel and focus on Neil Armstrong and Tim Peake. In Art & DT we will be baking our own bread while in Science we will find out how amazing our bodies are! We have some fantastic visits planned to Kids Town and the Planetarium.
- We will also be having phonics, Basic Skills, English and Maths sessions on a daily basis and focussing on Traditional Tales & Key Stories in English. In maths we will focus on Number, Place Value, Addition & subtraction.
- Our PE sessions are flexible—mainly on Monday and Wednesday but subject to change so PE kits, indoor and outdoor, should be left at school for the week.
- Children can change reading books whenever they have finished the one they are reading—just put it in the Reading Box in the morning and it will be changed for home time. Reading books must ALSO be in school every day so that your child reads with the teacher whenever possible.

**Any questions please do not  
hesitate to ask.**

### Our targets

To achieve success this term the children will aspire to meet the following targets:

#### **In Writing**

- To correctly form our letters
- To write in different ways, e.g. a story, a piece of non-fiction writing, a poem, a letter and other genres of writing
- To use our knowledge of sounds to write difficult words
- To write in sentences, using basic punctuation

#### **In Reading**

- To read sentences on our own
- Retell stories in the correct order, using story language
- Use non-fiction texts to find answers to questions

#### **In Mathematics**

- To use maths ideas to solve problems
- Use vocabulary related to addition and subtraction
- To mentally recall number bonds to 10 and 20
- To recognise, count and order numbers to 100 and beyond
- To use language such as greater, smaller, heavier, lighter, to compare qualities
- To use mathematical language to describe 2D and 3D shapes.
