Dear Parent/Carer

As you know, this year we are having to change the way that we are doing our Christmas productions and unfortunately will not be able to host the usual New Delaval events. This is a real shame, but in true NDPS style we still want to go ahead albeit in a different format.

Each class has been working hard to produce a short festive video which we hope to share with parents in place of our usual Christmas performances this year. In order to do this we need to give you the opportunity to let us know if you **do not** want your child to take part.

The photograph/image sharing permissions you have already given us will be used for this process, so we know that, unless you inform us otherwise **by the end of the week**, we have permission for your child to take part and be videoed as part of this performance.

When the video is ready to be shared with parents we will let you know how and where to find it!

Yours sincerely
