RESPECT Characteristic: Teamwork & Communication	RESPECT Characteristic: Empathy	RESPECT Characteristic: Self-Awareness	RESPECT Characteristic: Resilience	RESPECT Characteristic: Positivity	RESPECT Characteristic: Excellence
In this half-term, pupils will be forming new relationships with their new teachers and teaching assistants. It is vital they communicate effectively during these initial weeks and come together as a team to establish the best foundations for the academic year ahead.	During our Autumn 2 half-term, we have a whole school focus on Remembrance, along with themed charity days including Children in Need and Sports for Champions. We also support Anti-Bullying Week in this half-term. Therefore, it is important to teach and promote empathy during Autumn 2.	Returning to school in the new Year brings on lots of reflection and thinking ahead. We want our pupils to be reflective and self-aware in order to set new goals to work towards. This is why we choose to teach Self-Awareness in Spring 1.	The final half-term before the Easter break is a great half-term to ensure pupils are prepared for the standardised tests coming up in the Summer term. This includes additional revision, after-school SATs clubs and intervention boosts. We want our pupils to be resilient and able to push themselves to achieve their best.	Summer 1 marks the half-term for our standardised tests. This includes our KS1 SATs and KS2 SATs Tests. We also have the Year 1 Phonics Screening Test and the Year 4 MTCs at the start of Summer 2 and believe pupils thinking positively and striving to support one another in this busy half-term is essential. This is why we will be focusing on Positivity.	Our final half-term at New Delaval, is focused around celebrating achievements. We mark this by carrying out Class Awards in a formal assembly. These awards include, Teacher Merit, Attainment, Pupil Progress and Sports Awards. There is also further opportunities to show and promote Excellence during this half-term: Sports Day, High Borrans Residential, Transition Days and our Attendance Trip.
